**DuPagePads Invites Community Members to
Run 4 Home Virtually or In-Person!**

WHEATON, ILLINOIS - DuPagePads invites the community to take the next important step to end homelessness during the Run 4 Home this September. Going hybrid in 2021, the 17th annual run/walk will give participants of all ages the option of participating virtually or joining DuPagePads supporters in-person on September 26.

Runners and walkers are invited to participate virtually by choosing their own course September 15-30. Supporters can also join DuPagePads to run or walk in person on the running track at College of DuPage on Sunday, September 26, from Noon to 5 p.m., at which time giveaways and refreshments will be available. All participants registered by August 25 will also receive a Run 4 Home commemorative race shirt.

The top fundraisers, largest participating business/organization, and largest participating congregation will all receive awards! Winners will be announced on Friday, October 1.

“We are so thankful to everyone who has walked and run with us since the Run 4 Home began 17 years ago. Every step our participants take allows our clients to take their *own* step on the path to end their homelessness,” said April Redzic, DuPagePads President & CEO “Our county has been incredible in its support for those in our care over the past year. I’m so excited to have a virtual option, as well as a safe outdoor option so we can come together and celebrate the impact made by our runners and walkers to end homelessness.”
